

State Representatives Sandra Pihos and Elaine Nekritz

are proud to offer an

Environmental Working Group Presentation

by

KEN COOK

President of the Washington DC based *Environmental Working Group (EWG)*

This important, **FREE** presentation is open to the public and is for:

- **Medical professionals**
- **School Officials/Teachers**
- **Anyone concerned with the impact of chemicals on the human body**
- **Parents and Students**
- **Environmentalists**

The EWG has identified chemicals linked to cancer, birth defects, hormone disruption, reproductive problems, and immune disorders

WHERE: Glenbard South High School
 Little Theatre
 23W200 Butterfield Road
 Glen Ellyn, IL 60137

WHEN: Monday, March 3, 2008
 7-8:30 PM

*In the past year, Mr. Cook has been interviewed on the CBS Evening News, NBC's Nightly News, the Today Show, MSNBC, CNBC, FOX Business News, CNN and Anderson Cooper's 360. **Environmental Working Group (EWG)** is a non-profit, public interest research and advocacy organization that uses the power of information to protect human health and the environment. Mr. Cook has also made frequent appearances on The News Hour with Jim Lehrer, CBS's 60 Minutes, ABC's Good Morning America and National Public Radio's "All Things Considered."*
